Telephone No.	
Email Address	

ORCID iD	
ORCID iD	

Lead applicants must add their ORCID iD. Find out more about ORCID on our website.

Career history (current/most recent first)				
From	To	Position	Organisation	

Please provide details of your current position (if applicable) and all previous posts held, listing most recent first.

Education/training				
From	To	Qualification	Subject	Organisation

Please provide details of relevant education/training, listing the most recent first.

Source(s) of personal salary support

Please state the source of funding of the salary of your post (for example, if it is funded through your organisation's block grant from a Higher Education Funding Council). If your salary is being funded from more than one source, please provide details of all funding sources, including their relative contributions. If there are any ties on intellectual property rights or publications arising from the research you undertake, please contact the Wellcome Trust for advice. Restrictions on intellectual property may affect your ability to apply to the Wellcome Trust.

If you are not currently in employment, this question should be answered 'not applicable'.

Clinical status Do you have a medical/veterinary degree?	

Please note that this includes dental and clinical psychology degrees.

Please specify

Are you clinically active?	

What is your specialty?

Please choose your specialty from the dropdown list – if it is not on the list, select 'Other' and specify.

Please specify

Career breaks Have you had any career breaks or periods of part-time work, for example parental or long-term sick leave?	
We encourage applications from researchers who have taken career breaks, and wish to ensure that any such breaks are duly taken into account when considering your track record. Please state when and for what period of time you took a break, or were working on a part-time basis. We are not seeking any information on the reasons for this break so please do not provide this here, including sharing any sensitive personal health information.	

Please provide details

Do you wish to undertake this award part time?	
If you wish to undertake this award part time, please contact the Trust to discuss your requirements.	

Research training track record and activities Course Convener's track record in training postgraduate students

Other general activities in the area of research training

Research outputs List up to 20 of your most significant research outputs, ensuring that at least five of these are from the last five years. For 10 of these outputs, provide a statement describing their significance and your contribution (up to 50 words per output). Research outputs may include (but are not limited to): • Peer-reviewed publications and preprints • Datasets, software and research materials • Inventions, patents and commercial activity For original research publications indicate those arising from Wellcome-funded grants in **bold**, and provide thePubMed Central ID (PMCID) reference for each of these. Please refer to guidance notes. *Please give citation in full, including title of paper and all authors* Citations to preprints should state "Preprint", the repository name and the articles persistent identifier (e.g DOI).* *(*All authors, unless more than 10, in which case please use 'et al', ensuring that your position as author remains clear.)*

You should include here systematic reviews (e.g. Cochrane Reviews) and meta analyses, but exclude abstracts and literature reviews. We encourage the inclusion of articles published via open research publishing platforms, such as

Wellcome Open Research, providing they have passed peer review.

Preprints, i.e. complete manuscripts that have been submitted to a preprint repository or service (e.g. bioRxiv, PeerJ Preprints, arXiv, SocArXiv or PsyArXiv), can be included only if they have a permanent identifier such as a DOI or arXiv identifier.

The Wellcome Trust's open access policy requires all original peer-reviewed research papers, supported in whole or in part by Trust funding, to be made available through PubMed Central (PMC) and Europe PMC as soon as possible and in any event within six months of the journal publisher's official date of final publication.

The PubMed Central ID (PMCID) is the unique identifier assigned to every full text paper in PubMed Central (PMC) and Europe PMC.

Please note that:

> *We actively monitor compliance with our open access policy and successful applicants will be asked to provide a full list of all their Wellcome-funded research papers, and confirm compliance by providing the PMCID identifier for these, before the award letter can be issued.*

For further guidance, please refer to the Trust's open access policy statement and authors' information.

Total number of peer-reviewed publications which you have authored/co-authored. Please exclude abstracts and literature reviews.	

You should include here systematic reviews and meta analyses. We encourage the inclusion of articles published via open research publishing platforms, such as Wellcome Open Research, providing they have passed peer review.

Current and recent research funding (including Wellcome Trust grants)
Please list all held in the last five years and any key prior grants (list the most recent first). State the name of the awarding body, name(s) of grantholder(s), title of project, amounts awarded, your role in the project, and start and end dates of support. For all active grants, indicate the number of hours per week that are spent on each project.

In addition to research grants, please include details of any recurrent or core funding support that you have held in the last five years, including any Wellcome Trust awards. Please state clearly your role in obtaining the awards, for example, whether you held them in your own right as lead applicant, co-applicant, or as part of a consortium. Please state the value of your own component of the award and the percentage of your time spent on the research.

Please provide **one** example of a possible title of a Master's dissertation to be offered to a student under your supervision

---

Programme summary

Programme summary
Please provide a summary of the Master's programme
(200 words max.)

Details of proposal

Justification for funding of Master's programme
The aim of this scheme is to build an influential and diverse population of talented researchers in the humanities and social sciences in order to improve our understanding of human health.

You should address the following:
(a) How does the Master's programme improve students' understanding of health through the humanities or social sciences?
(b) How does the Master's programme prepare students for a career in health-related humanities or social science research?
(c) Beyond the core teaching or research activities, what specific opportunities and support will be given to the students to enable them to develop the skills and experience needed in their future career?
(d) How will the process of allocating each studentship help to build an influential and diverse population of talented researchers?
(e) How will the award help you achieve the aims of your programme, beyond the financial support?

No more than **1,000** words should be used to describe the proposal.

*No more than **1,000** words should be used to describe the details of the programme in total, excluding graphs, figures, etc. You may provide your answer to this question in text entry format or as a PDF attachment. If you are uploading your proposal, the uploaded document must be in 11 point Arial font and portrait format.*

Graphs, figures and essential quoted but unpublished information, including data, provided in support of the proposal, may be embedded in the text or attached as supporting material – this must not exceed the equivalent of two A4 pages in length.

You must provide all information pertinent to your grant proposal within the application form (it is not acceptable to refer to additional unpublished information on personal websites).

(1000 words max.)

You may submit up to two A4 pages of additional information (such as graphs, figures, tables and essential unpublished data).

The additional information (such as graphs, figures, tables and essential unpublished data) provided in support of the proposal may be embedded in the text of your file upload or attached here as a separate file. If you choose to embed this information, any text present (such as legends, labels or captions) can be excluded from the word count.

References
You should give the citation in full, including title of paper and all authors.

You may provide up to the equivalent of two A4 pages of references. Please ensure that all references included are pertinent to your proposal and are cited in full, including all authors, the full title of each publication, journal title, year, volume and pages. References with more than 10 authors may be shortened to et al, but please ensure that your position as author (if applicable) remains clear.

You may refer to papers "in press"; copies of these papers should be submitted. Manuscripts that are "in preparation" or

"submitted for publication" must not be included in the reference list, but key data from these papers may be included as "additional information".

Are there any papers listed in your 'References' section as being "in press" that you wish to submit to us?	

Upload papers "in press"	
Please submit papers "in press" as a single PDF.	

Contributions

Please list all financial contributions, or equivalent, provided by the host organisation or other sources.			
Contributor	**Details of contribution**	**Value**	**Currency**
			-

Institutional statement

Please upload a statement of support from the Director of Graduate Studies or equivalent on behalf of the host organisation(s), setting out how the programme fits strategically within the organisation (and, if relevant, the Institutional Strategic Support Fund); its relationship with any other existing or proposed Master's programmes held there; and indicating the level and nature of the organisational support that will be provided if the application is successful.

Costs requested and justification

Please select the currency in which you wish to apply.
It is expected that costs within the application will be submitted in the currency which, in the view of the applicant(s), best enables the activity to be undertaken. In the majority of cases, the currency specified is likely to be the local currency. Where this is not the case, please explain the reasons for selecting the chosen currency.   *Please refer to the Wellcome Trust's website for further information regarding selecting a currency.*   *If at any point, the Wellcome Trust is unable to award in the currency requested, discussions will be held with the administering organisation to decide whether an alternative currency should be used. If you have any concerns that the currency you would like to request may not be readily available, please contact the Wellcome Trust by e-mailing: grantpayments@wellcome.ac.uk.*

Is the selected currency your local currency?	

What is your local currency?	

Please state clearly the reasons for requesting costs in the selected currency and the exchange rate used (100 words max.)	

<table>
<tr><td></td></tr>
</table>

Studentship fees Are you requesting studentship fees?	
Please provide details of the Master's studentship fees. The Trust reserves the right to query and challenge the costs requested, where it considers it appropriate and necessary to do so. *Please note that the Wellcome Trust provides a standard stipend for Master's students which will be added if your application is successful.* *Grants are cash-limited at the point of award.*	

Studentship fees

Description	Total
State the annual amount of approved university and college fees (if appropriate) at the UK/EC student rate in the description, and specify the total amount of fees requested for the three studentships.	

Miscellaneous costs Are you requesting miscellaneous costs?	
You may request up to £10,000 towards costs across the three studentships, such as for reasonable travel and subsistence for research, survey and data collection and statistical analysis, and specialist publications that are relevant to the research and not available in institutional libraries.	

Miscellaneous other

Description	Total

Justification Please provide a justification for the costs requested (700 words max.)

Freedom to operate/conflicts of interest

Describe any freedom to operate issues or potential conflicts of interest that have been identified or that might arise and how these will be or have been addressed.

In particular, please consider the following:

- Do any of the individuals involved in the project hold any consultancies or equities in, or directorships of, companies or other organisations that might have an interest in the results of the proposed research?
- Will the proposed research use technology, materials or other inventions that are subject to any patents or other form of intellectual property protection?

- Will any element of the research be subject to agreements with commercial, academic or other organisations, including arrangements with collaborators named in the grant application, that might lead to intellectual property issues or restrictions?

(350 words max.)

Please describe any freedom to operate issues or potential conflicts of interest that may affect your ability to carry out the proposed research and/or to comply with the Trust's grant conditions.

Where the proposed research, in whole or in part, is subject to agreements with commercial, academic or other organisations, e.g. Materials Transfer Agreements, the Wellcome Trust will expect a written assurance from the administering organisation that the terms of any such agreement do not conflict with the Trust's grant conditions, particularly in relation to the publication of research and the granting of research rights.

Please refer to the Wellcome Trust's website for our policy on the relationship between Trust-funded researchers and commercial entities: www.wellcome.ac.uk/funding/managing-grant/policy-relationships-between-trust-funded-researchers-and-commercial-organisations.

Details of our policy on intellectual property can be found in our Grant Conditions www.wellcome.ac.uk/funding/managing-grant/grant-conditions.

Applicants should disclose all relevant information pertinent to their grant proposal, including proprietary information where appropriate, in order to provide the most comprehensive picture of their proposed research.

If no issues have been identified, please enter N/A.

Additional information

Additional information (for example, letters of support) may be uploaded here, if essential to the proposal. As a guide, this should not exceed the equivalent of five A4 pages in length.

Information must be submitted as a single PDF document.
